| Activity Description              | <p>Leadership and career skills are important to our members. To showcase members' efforts to grow and attain skills that will benefit each life, our chapter will attend State Leadership Conference (SLC) from April 6-9. SLC provides members the opportunity to receive recognition for sacrifices made, set personal goals, and identify future careers.</p>          |
| Goal #1                           | <p>By March 18, the Leadership Committee (LC) will identify 2 underclassmen showing interest and demonstrating leadership abilities to attend SLC where they will have an opportunity to set a personal goal to lead our chapter.</p>                                                                                                                                      |
| Plan of Action #1                 | <p>WHAT: Review and chapter roster of underclassmen and tabulate participation and personal involvement to select outstanding underclass members to invite to SLC.<br/>WHERE: RHS Ag building<br/>HOW: Review AET reports: Greenhand applications, Opening Social, monthly meetings, participation in chapter LDEs, and SAE records.<br/>Review reports with advisors.</p> |
| Outcome Evaluated and Reported #1 | <p>The LC identified 3 underclass members who demonstrated interest and commitment to leadership and achieving goals. All 3 underclass members participated at SLC.</p>                                                                                                                                                                                                    |
